Preamble

WHEREAS the best educational interests of the student are the paramount considerations in the exercise of any authority under this Act;

WHEREAS parents have a right and a responsibility to make decisions respecting the education of their children;

WHEREAS students are entitled to welcoming, caring, respectful and safe learning environments that respect diversity and nurture a sense of belonging and a positive sense of self;

WHEREAS there is one publicly funded system of education in Alberta whose primary mandate is to provide education programs to students through its two dimensions, the public schools and the separate schools, in such a way that the rights guaranteed under the Constitution of Canada of separate school electors are preserved and maintained; and

WHEREAS the education community in making decisions should consider the diverse nature and heritage of society in Alberta within the context of its common values and beliefs; and

WHEREAS the Regional authority of a Francophone Education Region has a unique responsibility and the authority to ensure that both minority language educational rights and the rights and privileges with respect to separate schools guaranteed under the Constitution of Canada are protected in the Region, such that the principles of francophone educational governance are distinct from, not transferrable to nor a precedent for, the English educational system; and

(5) If a separate school district or division to which Division 4 does not apply receives from municipalities requisitioned by the board an amount per student for a school year that is greater than the amount per student for the school year used by the Minister to calculate payments from the Alberta School Foundation Fund under subsection (4) and subject to the rights under the Constitution of Canada of separate school electors, the board of that district or division shall pay the difference between the amounts into the Alberta School Foundation Fund.

(6) The receipt of money from the Alberta School Foundation Fund does not make this Division apply to a board of a separate school district or division that has a subsisting resolution certifying that this Division does not apply to it.

(7) Subsections (4) and (5) apply to the school year commencing after July 31, 1995 and subsequent school years.
