

NISL Applied Plus

Purchase and Enrollment Details

How to Enroll

1. Contact your NCEE State Director and secure the number of seats for each course that are right for your district.
2. Submit a list of participant names and emails by email to the NISL State Director.
3. You will receive a quote from NCEE with the selected courses, number of participants, and total amount due.
4. Submit a purchase order to NCEE's Manager of Partner Support, Drea Anastasio (danastasio@ncee.org).
5. You will receive an invoice from NCEE after the latest course start date covered by the purchase order.

Course Expectations

NISL Applied Plus is a rigorous program designed to support changes in practice and to support school leaders as they design their school for higher performance.

We encourage districts to communicate expectations with potential participants and secure their commitment to participate fully.

Each course runs approximately five to eight weeks, and requires 4-8 hours per week for successful completion.

Course Withdrawal Policy

All purchases are final upon receipt of purchase order. However, we understand that individual participants may need to withdraw due to unforeseen circumstances.

Credit for participant withdrawal varies based on the timing relative to course start date:

- Prior to start date—district will not be invoiced for any such participants.
- After start date, but within first two calendar weeks of course—district will receive credit towards another NISL Applied Plus course
- After the first two calendar weeks of the course—participant can withdraw but district loses the course credit

To withdraw, the district or participant must contact the State Director in writing.

Any withdrawal constitutes a loss of:

- access to the course and course materials, and
- the issuance of credentials, Continuing Education Units (CEUs), or any other type of accreditation.
